DRONFIELD UNITED[Formerley Norton Woodseats][Part Two.]

In 1949 the club where elected to the Yorkshire League,gaining promotion to Division One after only Three seasons,and in 1954-55 they finished runners up to Stocksbridge Works by one point,who at this time had several ex Norton Woodseats players in thier side.

1959-60 and the club beat to Amateur Football giants in one season,in the F.A.Amateur Cup,Bishop Auckland [1-0] & Peagasus [4-1] were both beaten at the Coach & Horses,with Sharpp scoring a hat trick against Peagasus.Also tickets for these matchs went on sale before the match.1960-61 and the club had its last good F.A.Amateur cup run losing eventually to the famous Corinthian Casuals at the now demolished White City Stadium in London.

1964 brought relegation but the club soon bounced back gaining the division two championship in 1965-66.Long serving Buxton FC goalkeeper Mick Davis was goalkeeper at this time and his son Richard Davis should be in the Dronfield United side today.

The club continued in the Yorkshire League with little success and then into the present structure where they finished third in Division one in 1984-85.also at this time the club changed its name to Dronfield United ,to be more representative of the public it had serves for over 50 years.

The last few seasons have seen the club struggle,mainly due to cash insentatives at other clubs for the better players and also because they have been unable to upgrade thier ground facilities due to landlord troubles and the lack of a decent lease on the ground.The committee is working hard to remedy this they are also trying to attract the right type of player to the club and for the time being will be sticking with past traditions of being a purley Amatuer club.

Many players have joined Football League clubs from Norton Woodseats /Dronfield United in days gone by UNited & Wednesday regularly put players from the club straight into thier first team. Later Cec Coldwell had a long spell with United and David Frain who made a big impact a couple of seasons back are two among many.

No account of the club would be complete without a mention of "Mr.Norton Woodseats"Ron Rogers,sadly no longer with us.Ron made his debut for the club in 1922 and served the club for 62 years in almost every capcity and was well known in local football.

Also present Secrtary David Taylor who's efforts over recent season's have kept the club going.

The club are managed by Johnny Mason who is slowly seeing his work reap some rewards,One being a win over Bradley Rangers in the League cup with several other good performances,so our lads best be on thier best form as Dronfield will fight all the way.

DRONFIELD UNITED[Formerley Norton Woodseats FC]

Compiled by David Webster.

Dronfield is a small town of about 35,000 inhabitants,and is between Chesterfield and the South of Sheffield,so the catchment area for a club such as Dronfield United runs into hundreds of thousands of People.

The first recodrs of the club[so far]date back to 1891,when Norton Woodseats beat a prominent local amateur side of the time,Abbeylea United 4-1.Records from this time are very hard to find and research is under way to find more.The club played outside the Sheffield & Hallamshire F.A.Competitions and it is not till they joined the Sheffield Amatuer League in 1911 that the club had to register its membership and form a constituted club.

In 1922-23 the club finished in second position in the Amateur League ,losing out to old rivals Hallam.on goal difference,though some revenge was gained as the Reserve side finished 8 points clear of Hallam Reserves in the City League.

1925-26 was a big year for the club as they moved upto the Association League[Forerunner of the Whitbread County Senior] and also entered the F.A.Amateur Cup and had a good Cup run to the Third Round Proper,only losing out to Crook Town from the North.

Several good seasons followed with the club always in the top six,.In the early 1930's the club moved from thier Ground at The Dale,Norton to thier present ground at the Caoch & Horses,while work was in progress they also played at a ground at Jordanthorpe. Not surprising due to this results on the feild of play took a dive ,with the club relegated to Division Two of the Association League and then in 1933-34 back to the Amateur League[Which Stocksbridge Works first team were in at the time] Ground work completed and runners up postion in the Amatuer League gained the club where able to bounce back to the Association League after just one season.

The club finished runners up in 1935-36 and then in 1937-38 they won the Association League and also for the only time the Senior Cup,Beating Lopham Street Meths 3-1 at Hillsborough.1938-39 was even better with the club reaching the Semi-Finals of the F.A. Amateur cup,only missing out on a final place by a late goal to Willington.On the way to the semi-Finals the club beat WIMBLEDON 3-1 at the Caoch & Horses before 3,500 plus spectators,they also beat St.Albans City away from home 4-2.

After the war success in the F.A.Amatuer cup continued and in 1947 the club reached the Third round proper,losing unluckly to Enfield 3-2,at home before 4,800 people.Dungworth,Nortons goal-keeper was injured early on but carried on playing[no subs in those days],and it was his error that gave Enfield The match.

PROFILE

Today's profile features a new player to the first team this season, as yet he has not scored any goals but has been very close many times, hopefully he will break his duck today.

Robert North lives in the Barnsley area and is 19 years of age and is employed as a fitter. He is not married and I did not ask him if he had a girlfriend but he likes women and would also like to be a Millionaire.

Rob has a Nova car and enjoys any sport both watching and taking part. He eats anything and drinks anything any one buys him.

His musical taste is most anything that is in the charts and he dislikes work.

Past Football clubs are Woolley MW and Wombwell SA and on Sunday he plays for Park Green. His main honour in football has been Kexborough's player of the season last year. Favourite Team is Manchester United and player is Bryan Robson.

Well he seems a likeable chap and a keen footballer let's hope he can hit top form for the Steels and bang in a few goals.

UNDER 18's Match Details

St. Josephs, League Cup on Sunday November 20th.

Side ; Andrew Carney, Dave Burgin, Richard Jones, Niel Rawson, Darren Hirst, Steve Bethel, Adrian Tazzyman, Johnathon Dale, Gary Waller, Rob Wharton, Richard Hethrington,

Subs; Adam Longdon[on for Gary Waller after 4th Goal] and Glen Beckett[on for Johnathon Dale, who was injured after a bad tackle from the opposition, near the end of the match.].

I did not actually see this goal but according to my source[Bernard] Tazzyman was brought down in the box after the ball had gone and then converted the Penalty. Gary Waller got both the 2nd & 3rd goals. The first was a Wharton shot that the goaly did not hold and Gary was on hand to knock it into the net. The Third was a lob by Wharton, into space, over two defenders and Gary he beat these two for the ball and then put the ball past the keeper. Half time 3-0 with Stocksbridge well on top.

2nd half and St. Josephs came out more determined and had most of the play for a while. A quick break saw Hethrington regain the ball after it had been taken from him and centre for Wharton to tap in from two yards. After this St. Josephs got a bit dirty in there play and it was quite a surprise that the Ref did not even talk to any of the players. Soon after Darren Hirst broke and his shot was knocked out, after 3 or 4 attempts by different players Hethrington knocked the ball in. After this Dale was injured in a late tackle, with the opposition cheering the player that had done it. After this Wharton was just wide and Tazzyman was unlucky not to score. A very good performance, roll on more of the same.

4th Sept away League Rowlinson Won 5-3

11th Sept Away League St. Josephs Lost 4-3

18th Sept Away League Birdwell Royals Won 3-1

25th Sept Match of no Ref.

2nd Oct Home League Todwick Won 4-2

9th Oct Away League Woolley Lost 0-2

16th Oct Home Cup Davy United Won 6-1

30th Oct Dodworth Home League Won 6-1

6th Nov Away League Greenhill & Lowedges Won 3-2

13th Nov Away Cup St. Josephs Drew 0-0

20th Nov Home Cup St. Josephs Won 5-0.

Don't forget Match TOMORROW, CUP SEMI-FINAL, 2.00 PM KICK OFF versus Greenhill & Lowedges at Braken Moor.

Stocksbridge Park Steels 0 Worsborough Bridge 1
Geoff Littlewood reports.

It was Stocksbridge who took command of the game from the kick off and they might have taken the lead in the 3rd minute when GARY WALLER just failed to connect with a OWNNSWORTH cross from the left. Worsborough were pinned down to the odd break and Stocksbridge continued to take the game to the leaders with Rob North, HARVEY OWNNSWORTH & IAN CAVANAGH all going close. But it was the visitors who took the lead with a far post header from Robbie Taylor after the ball had been knock back in again from the right side. soon after ANDY SMITH had to make two saves in a few seconds to keep out lively Worsborough. In the final 10 minutes MICK ELLISON vollied over from a narrow angle from a MATT DAWSON cross and then from a GARY Waller cross just failed to make contact with his head. However the best chance of the game went to Worsborough, when a misunderstanding left an open goal, but the shot went wide.

After the interval, Steels continued where they had left off and WALLER forced the keeper to make a couple of fine saves in the first 5 minutes. Worsborough counter attacked, first shooting wide and then a 20 yard free kick went narrowly over the bar. A period of pressure on the visitors goal resulted in several corners with ROB NORTH and MARK BOTTOMLEY both unlucky not to score. Worsborough always looked dangerous on the counter attack and the Steels defence did well to keep them out in the 71st minute when a string of efforts where blocked. The pressure only being relived when an attacker was caught offside. From the free kick OWNNSWORTH broke down the left side and was impeded in the box. GARY SLACKS driven free kick appeared to be handled in a crowd of defenders and Worsborough broke away but ALAN WATSON made a good interception on the half way line. His quick through ball but Gary Waller away but he was challenged in the box just as he was about to shoot. Rob NORTH was replaced by PETER KAYE with 10 minutes left and his first touch produced a corner from which JOHN PRINGLES goal bound effort was deflected for another corner. Worsborough almost made the game safe twice in the last 5 minutes, but ANDY SMITH saved bravely on each occasion.

On this performance, there is no need for the team to be disheartened. Every man in the side worked hard and they played some good entertaining football, and, with just a little bit of luck, good so easily have achieved the result their performance deserved.
